Creating Letters

For machine applique, trace the templates on page 2 (reversed letters) onto the paper side of the Wonder-Under®. Iron the Wonder-Under® to the wrong side of the fabric for the letters. Cut out the letter appliques. Remove the paper. Use the layout on the template page to place the letters onto the background fabric. Fuse into place. Finish the edge with either a straight or zigzag stitch.

For hand applique, use the templates on page 3 (regular letters). Stitch using your favorite applique method. Use the layout on the template page to place the letters onto the background fabric. This pattern would be ideal for using the back basting method of applique.
