

Reversible Fabric Storage Bin

By Tara Custer

SUPPLIES & TOOLS:

- 1 yard each of 2 coordinating home décor fabrics
- FF79F2 Flex-Foam™ 2-Sided Fusible
- EZ-Steam® II Tape
- Basic sewing supplies
- Sewing machine
- Iron, pressing cloth & pressing surface

DIRECTIONS:

1. Cut the following pieces of both home décor fabrics and FF79F2 Flex-Foam™: (2) 17" x 11", (2) 14" x 11", (1) 17" x 14"
2. Match up and adhere Flex-Foam™ to wrong sides of one home décor fabric, using an iron on the fabric side.
3. With wrong sides together and 1/2" seam allowance, sew a 17" side of a 17" x 11" piece to a 17" side of the 17" x 14" piece. Repeat this with the other 17" x 11" piece and the 14" x 11" pieces. All 5 pieces should be connected to create a "+" shape.

4. Fold pieces up to create bin shape and pin, right sides of fabric should be on the inside.
5. With wrong sides together and 1/2" seam allowance, sew the 11" sides together. Clip corners.
6. Repeat steps 3 through 5 using the second home décor fabric. Turn right side out. There should be 2 bin pieces – 1 inside out and 1 right side out.

Pellon® Consumer Products

7. Apply EZ-Steam® II Tape around the wrong side of the top edges of the bins, peel off paper backing and fold down 1". Adhere using iron and pressing cloth.
8. Place inside out bin in to right side out bin and iron all sides to adhere pieces together.
9. Straight stitch around top edge to finish.

Skill Level: Intermediate

Approximate Crafting Time: 2-3 hours
