Create a light and airy scarf to add a bit of fashion flair in warmer climates!

Fabrics Needed

Pellon[®] Cheesecloth

2 yards

Materials Needed

S.E.I. tumble dye

Various colors

Thread

Tools Needed

Sewing machine and related supplies

Wet cheesecloth. Secure with rubber bands as desired.

Spray cheesecloth with S.E.I. Tumble Dye. Remove the rubber bands and let cheesecloth dry. Heat set cheesecloth with iron or place in dryer for 20 minutes. Cut down the middle length-wise to create two 18" wide pieces. Sew two short edges together to create one long scarf.
