

Eighteen Inch Doll Quilt and Companion Girl Quilt

Skill level: Beginner

Stitched by
Charlene Allison
and
Alexandra Henry

Great project for parent and child. This five inch block 15" x 20" embroidered flannel quilt is sure to please the girl in your life. Make a companion quilt for her using the six inch blocks so she can snuggle under a matching quilt. Use an embroidery machine to make the blocks. Easy construction, no quilting needed.

Fabric Needed

FOR DOLL QUILT

Pink Flannel	1/2 yard
Black Flannel	1/2 yard

FOR GIRL QUILT

Pink Flannel	2 3/4 yards
Black Flannel	2 1/4 yards

Materials Needed

Pellon® 2300 Stitch-n-Tear Lite®	2 packages will make both quilts
Black Embroidery Thread	
Black Thread	

Tools Needed

Sewing Machine and related supplies
Rotary cutting rulers and supplies

Cut 8" strips from the pink flannel fabric. Cut these strips into 8" squares.

For Doll Quilt: Cut two 6" strips from the black flannel fabric. Cut these strips into 6" squares.

For Girl Quilt: Cut ten 7" strips from the black flannel fabric. Cut these strips into 7" squares.

Layer one piece of pink flannel on top of one layer of Pellon® Stitch-n-Tear® Lite.

Place this layered piece in the embroidery hoop and embroider design following instructions for the embroidery machine being used.

Embroider design.

Tear off the Stitch-n-Tear® Lite.

Sew eleven more blocks for the doll quilt and/or seventy-one more blocks for the girl quilt.

For Doll Quilt: Trim all embroidered pieces to 6" squares. Place the black flannel square with the embroidered square of flannel, wrong sides together. With the plain squares placed right sides together, sew squares into four rows of 3 squares using a 1/2" seam allowance.

For Girl Quilt: Trim all embroidered pieces to 7" squares. Place the black flannel square with the embroidered square of flannel, wrong sides together. With the plain squares placed right sides together, sew squares into nine rows of 8 squares using a 1/2" seam allowance.

Sew rows together, butting seams in opposite direction as shown.

Sew around perimeter of quilt using a 1/2" seam allowance.

Clip seam allowances 3/8" (1/8" away from stitch line) every 1/2" as shown.

Quilt shown before washing.

Wash quilt when done and flannel will shrink, ruffle and ravel creating the finished look as shown on front page.
