

Flying Geese Vertical Row Quilt

Skill Level: Beginner

Use a quick piece method for creating this timeless flying geese pattern. Jo Morton's new collection, 'Carolina', by Andover Fabrics was used in this example. When using a vertical strip/border print for the plain fabric rows, adjust fabric yardage needed accordingly. Allow printed lines on the fabric to provide seamlines.

Fabrics Needed

	Crib	Throw	Twin	Full	Queen	King
Total Lights Needed	1 yd	1 3/8 yds	2 5/8 yds	3 1/8 yds	4 3/8 yds	5 yds
Total Darks Needed	1 1/8 yds	1 5/8 yds	3 1/8 yds	3 5/8 yds	4 1/2 yds	5 1/4 yds
Plain Fabric Rows - Extra fabric may be needed for striped border prints						
	2 yds	2 yds	2 1/2 yds	2 5/8 yds	3 yds	3 1/2 yds
Backing Fabric	1 5/8 yds	3 yds	5 yds	7 1/2 yds	9 yds	10 1/2 yds
Binding Fabric	1/2 yd	5/8 yd	3/4 yd	3/4 yd	1 yd	1 1/4 yds

Materials Needed

Pellon® Legacy™ AB 80/20 Cotton/Poly Needle Punched Batting 96" wide

	1 1/4 yds	1 1/2 yds	2 yds	2 1/2 yds	**3 yds	**3 yds
--	-----------	-----------	-------	-----------	---------	---------

**Purchase 120" width

Thread

White Marking Pencil

Tools Needed

Sewing machine and related supplies

Rotary cutting tools

Dimensions of the Quilt

	Crib	Lap	Twin	Full	Queen	King
Finished Size	45" x 52"	53" x 60"	74" X 88"	88" x 88"	95" x 96"	116" x 116"
Flying Geese Rows	7	8	11	13	14	17
Plain Strip Rows	6	7	10	12	13	16
Flying Geese Units Per Row	26	30	44	44	48	58

Cutting Instructions

	Crib	Throw	Twin	Full	Queen	King
Light Fabrics - 5 1/4" strips	7	9	18	21	24	36
Dark Fabrics - 2 7/8" strips	15	19	38	44	52	76
Plain Fabric Rows - Vertical Stripes - 3" strips (may vary depending on fabric chosen)	Cut 6	Cut 7	Cut 10	Cut 12	Cut 13	Cut 16

Cut 5 1/4" light fabric strips into 5 1/4" squares.

Cut 2 7/8" dark fabric strips into 2 7/8" squares.

Quick Piecing Four Flying Geese Units

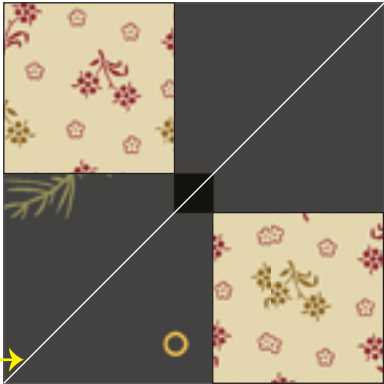

Flying Geese Unit - This quick piece method makes 4 units. Make the required number of units per row for desired quilt size.

Layer one light fabric 5 1/4" square with two dark fabric 2 7/8" squares right sides together as shown. The dark squares will overlap by 1/4" as shown.

Draw a line on the dark fabric squares as shown.

Drawn Line

Stitch 1/4" from both sides of drawn line.

Stitching Lines

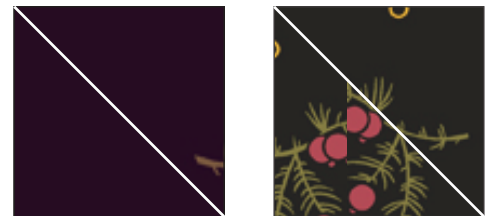

Cut on drawn line.

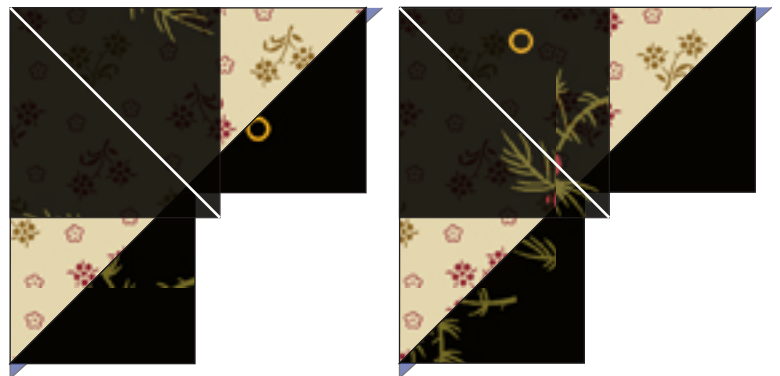

Press seam allowance to darker fabrics.

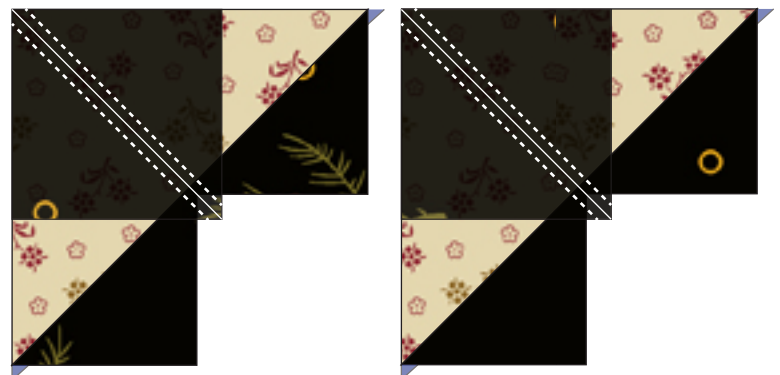

Draw a line diagonally on the wrong side of the remaining two 2 7/8" squares.

Place remaining two squares right sides together on the flying geese units as shown.

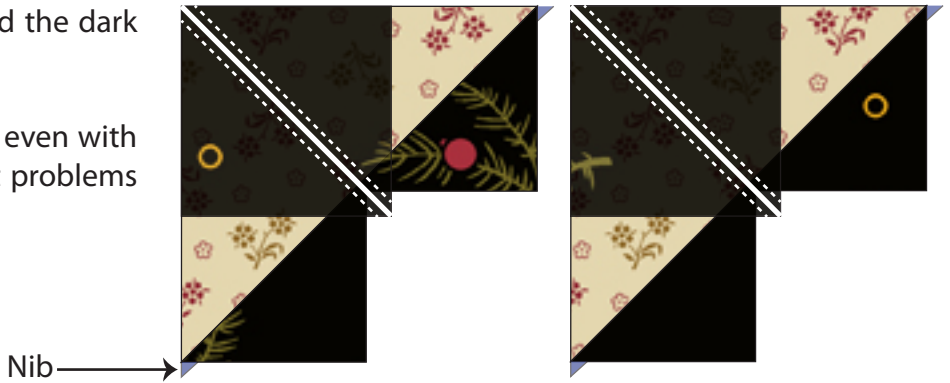

Stitchin 1/4" on both sides of the drawn line.

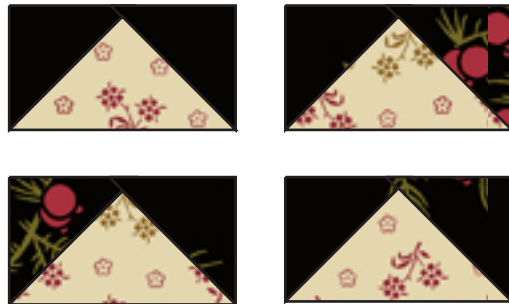

Cut on drawn line. Press seams toward the dark fabric.

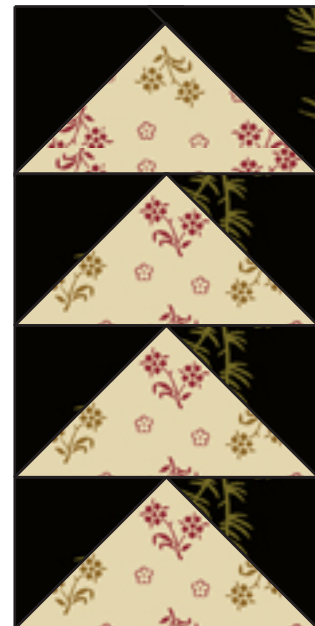

Cut the four 'nibs' that are sticking out even with the edge of the unit. This will prevent problems when piecing the units together.

Continue making these units until the number required for each row of quilt size is reached.

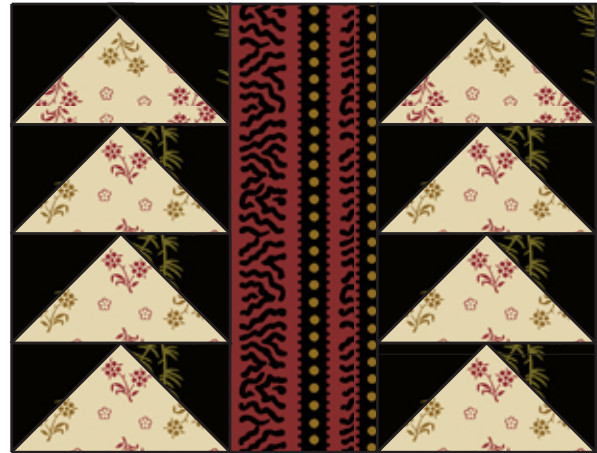

Sew two flying geese units together as shown using a 1/4" seam allowance. Press seam toward top geese unit. Continue adding flying geese units to row until desired number for quilt size is reached.

Sew a row of flying geese units to a plain fabric/border strip, right sides together, using a 1/4" seam allowance. Press seam toward plain strip.

Continue sewing vertical rows together until desired quilt size is reached. Press all seams toward the plain strips.

Piece quilt backing as necessary. Layer quilt backing, top and batting together. Quilt as desired. Sew on binding.
