

# Party Princess Crown and Castle

## Crown

Birthday celebrants deserve to be treated like royalty. This birthday crown will do the trick!

### Materials Needed:

- 1 1/2 yds. 725 Heavy Duty Wonder-Under®
- 3/4 yd. 809 Décor Bond®
- 1/3 yd. 810 Tru-Grid®
- 1/2 yd. Grey poplin
- 3/4 yd. each 1/8" wide satin ribbon in pink, light blue, and yellow
- 1 1/2 yds. 5/8" wide silver ribbon
- Scraps of silver fabric
- 10 rhinestones
- Fabric glue

### Tools Needed:

- Scissors
- Iron and ironing board

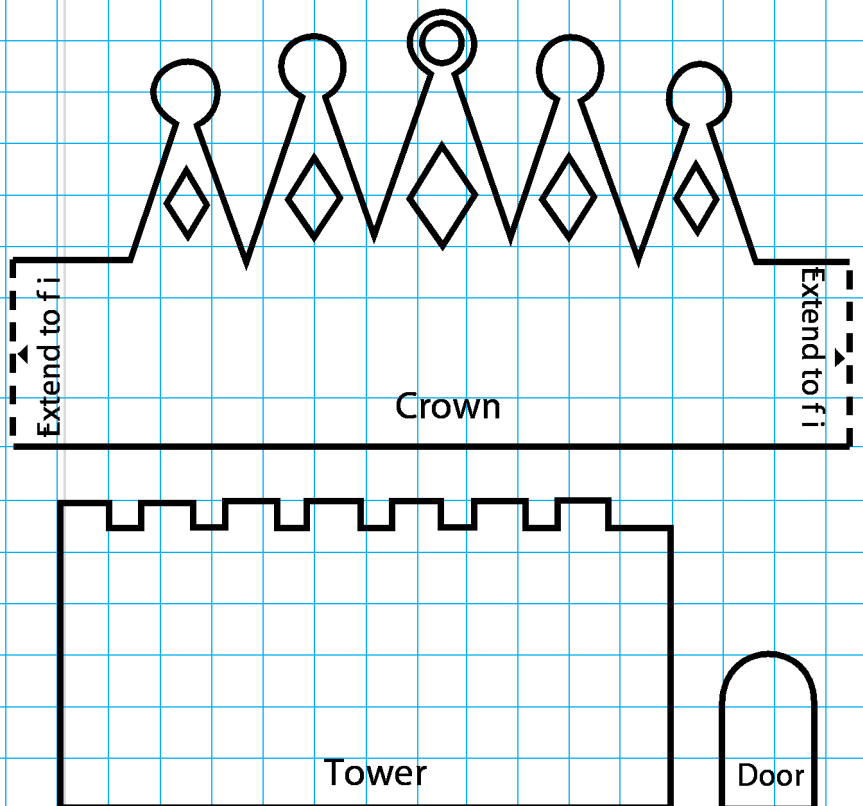

**Skill Level:** Beginner

**Step 1:** Using Tru-Grid®, enlarge crown pattern to full scale. Add length to ends of crown band until it fits around princess's head, with 2" overlap.

**Step 2:** Using Heavy Duty Wonder-Under®, fuse two layers of Décor Bond® together. Fuse crown shape pattern to one side of Décor Bond sandwich and fabric to the other. Cut out following crown pattern.

**Step 3:** Decorate crown with ribbons and fabric diamonds and circles fused in place. Rhinestone "jewels" can be glued on top.

**Step 4:** Overlap ends of crown band and fasten using glue or Heavy Duty Wonder-Under®.

## Castle Centerpiece

This castle is the perfect nesting place for goody bags and party favors. Fill the towers with the guest of honor's favorite treats.

### Materials:

- 1 1/2 yds. 725 Heavy Duty Wonder-Under®
- 1/3 yd. 810 Tru-Grid®
- 1 yd. Grey poplin
- 1/8 yd. silver fabric
- 3 1/2 yds. 5/8" wide silver ribbon
- 2 yds. Each 1/8" wide satin ribbon in pink, light blue and yellow
- 4 24oz. Cardboard oatmeal or cornmeal containers
- Heavy cardboard
- Newspaper
- Hot glue

### Tools:

- Scissors
- Iron and ironing board
- Hot glue gun
- Box cutter or utility knife

**Step 1:** From heavy cardboard, cut one 10" x 10" piece for the bottom and four 6" x 5 1/2" pieces for the walls. Using Heavy Duty Wonder-Under®, cut shapes of grey fabric 1" larger all around than cardboard. Center and fuse to cardboard, wrapping and fusing excess to wrong side. Fuse slightly smaller pieces of fabric to wrong sides of walls. Decorate walls with 1" fabric squares (windows) and doors.

**Step 2:** To make each tower, enlarge pattern on Tru-Grid®, Trace onto Heavy Duty Wonder-Under®. Cut out shape. Do not peel off paper backing. Decorate tower with ribbon, 1" fabric squares and door. Peel off paper backing and fuse fabric to 24 oz. oatmeal box. Stuff empty oatmeal box with newspaper so it won't collapse. Carefully trim off top of box to match edge of fabric.

**Step 3:** Use a glue gun to join walls and towers to bottom
