Cut the Pellon® Stitch-N-Washaway™ into a sheet that will fit on the front of the t-shirt. Allow the child to draw on the non-woven side of the Stitch-N-Washaway™ with the washable markers.

Following the pattern, cut out the parts of the t-shirt. Peel the paper backing off of the Stitch-N-Washaway™ and adhere the product to the t-shirt front following manufacturer's instructions.

Using a sewing machine and thread to match the marker colors, stitch over the child's design. Make sure to backstitch at the beginning and end of each color before cutting threads.

Sew the shirt together following the pattern's instructions. Soak the t-shirt in cold water and both the markers and the Stick-N-Washaway™ will wash out.
