## Cutting Instructions

Fabric A	Cut one 9-1/2" square
Fabric H	Cut one witch using template on page 3.
Fabric D	Cut one moon using template on page 3.

### Additional Supplies for this Block

Pellon® Perfect Loft™ Cluster Fiber Fill (Optional)  
Small amount of black fabric glitter (Optional)  
Small amount of fabric glue (Optional)

Using a favorite applique method, applique the moon onto the background block. Applique the witch silhouette on the moon. The witch silhouette may be padded with a small amount of Cluster Fiber Fill. Add the Cluster Fiber Fill as the witch is stitched down to make it easier to pad the silhouette. Do not over fill the padding or the applique will pucker the fabric behind it. This design is ideal for the back basting method of applique. Detailed Instructions for creating back-basting applique can be found on the designer's website: <http://www.artbyalexa.com/Tutorials.html>

Optional: After completing all the stitching, black fabric glitter can be applied lightly to the witch silhouette.

Press block lightly face down on a white towel to cushion applique.
