Print out pictures or coloring pages onto interfaced fabric to make a super quick and easy activity book with very little sewing involved!

Fabrics Needed

White or cream cotton woven fabric

One 8" x 10" rectangle for each page

Materials Needed

Pellon[®] 808 Craft-Fuse[®]

Craft felt (optional)

Fabric Markers

Thread

One 8" x 10" rectangle for each page

One 8" x 10" rectangle for pages with pockets

Tools Needed

Sewing machine and related supplies

Rotary cutter and related supplies

Instructions

Step 1. Cut fabric and Craft-Fuse® into 8" x 10" rectangles for desired number of pages.

Step 2. Fuse one Craft-Fuse® rectangle to the wrong side of each fabric rectangle following manufacturer's instructions.

Step 3. Prepare a picture to print. Follow copyright laws. Print the picture onto a 8-1/2" x 11" piece of paper.

Step 4. Place the fabric over the printed picture. Tape to hold edges while printing on the fabric.

Step 5. Print the design onto the fabric.

Step 6. Remove the fabric from the paper.

Step 7. Add items to make the page into an activity. Color the page with permanent markers.

Step 8. Cut small items that will be placed in pockets on the pages.

Step 9. (optional) If pages are made that will have slits for pockets, cut one 8" x 10" rectangle of felt for each of those pages. Place the felt on the wrong side of the fabric. Add stitching to create the pocket.

Step 10. Place two pages right sides together. Stitch around the pages using a 1/4" seam allowance. Leave a gap to turn the pages.

Step 11. Turn right side out through the gap. Press.

Step 12. Topstitch 1/8" from the edge around the page. Make buttonholes on the side that will be in the center of the book.

Step 13. Use ribbons or rings to hold the pages together.
