Step 1. Cut all pieces following the chart on Page 2.

Step 2. Arrange the cut pieces following the chart on Page 3.

Step 3. Using 1/4" seam allowances, sew the pieces of each row together. Press seams open or to one side.

Step 4. Place and sew one sashing strip to top and bottom of the pieced rows using a 1/4" seam allowance. For the top and bottom sashing strip, use the 4-3/4" x 40" rectangles. Press seams towards the sashing.

Step 5. Square quilt top.

Step 6. Place the quilt top and backing wrong sides together with the batting 'sandwiched' in between. Baste quilt.

Step 7. Quilt as desired. Trim batting and backing 1/8" larger than the quilt top.

Step 8. Press binding in half lengthwise. Align raw edges of the binding and the quilt top. Sew binding to quilt, mitering the corners.

Step 9. Turn binding to back of quilt and slip stitch.
